## 1. Introduction

Pakistan Industrial Development Corporation Private Limited (PIDC) is a Federal Government entity established in 1952 initially to set up an Industrial base in the country. However, over the last several decades, industrialization has been up by the Private sector, and the PIDC role has evolved into that of a facilitator of industrial development by creating enabling environments for different segments of industries, mainly through subsidiary companies. The PIDC recently announced that it intends to procure IT equipment including laptops, desktops/ PC, photocopiers, and audio/video conferencing system for PIDC offices in Karachi, Lahore, and Islamabad.
